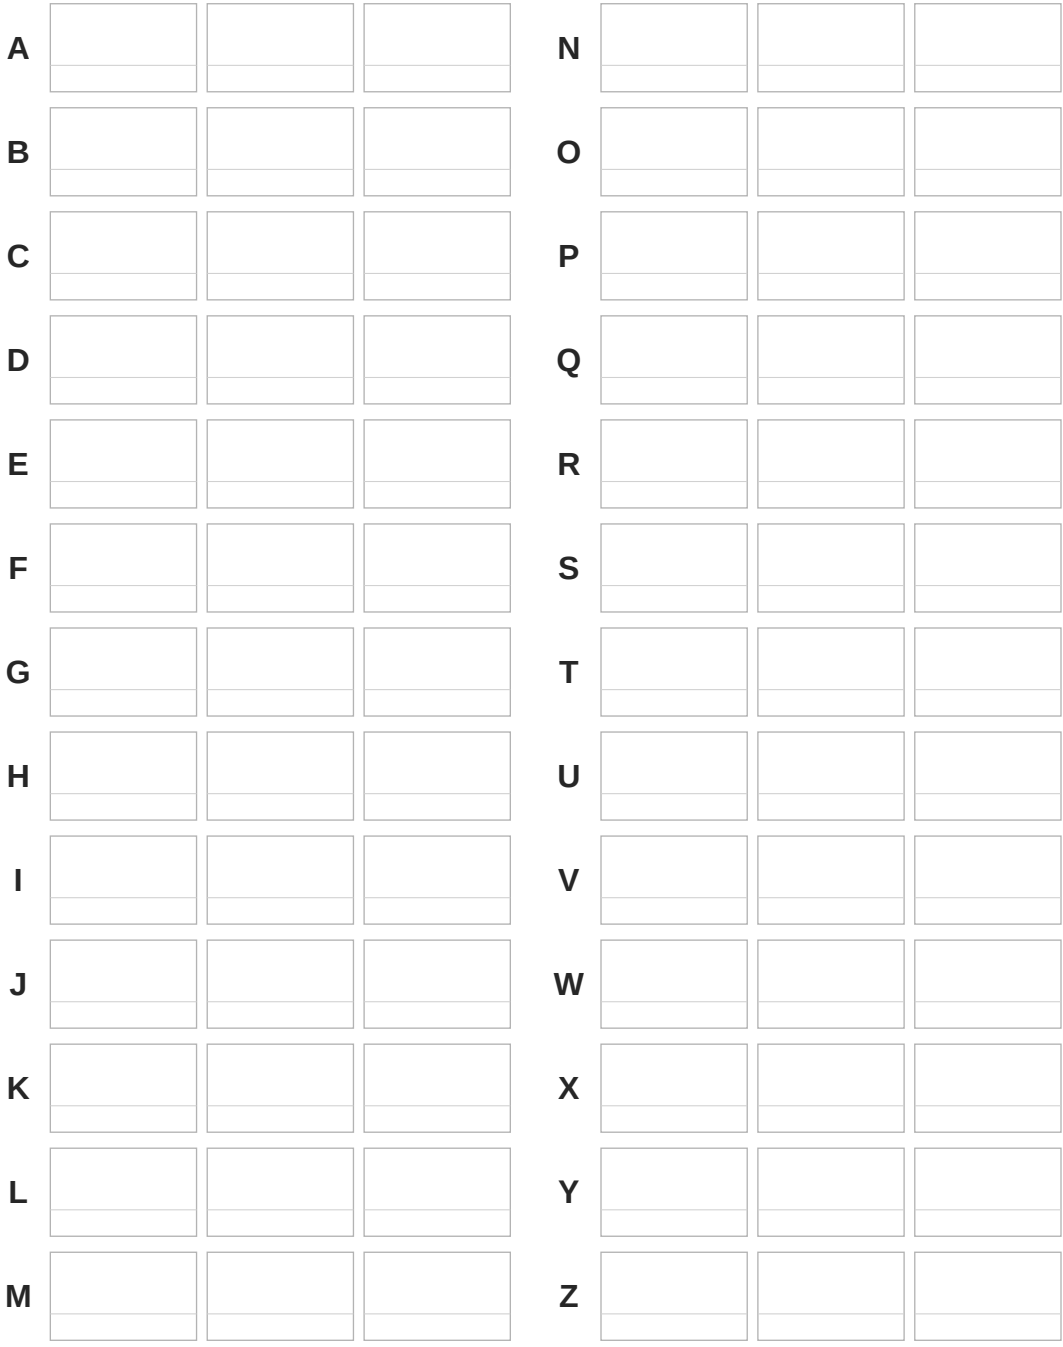
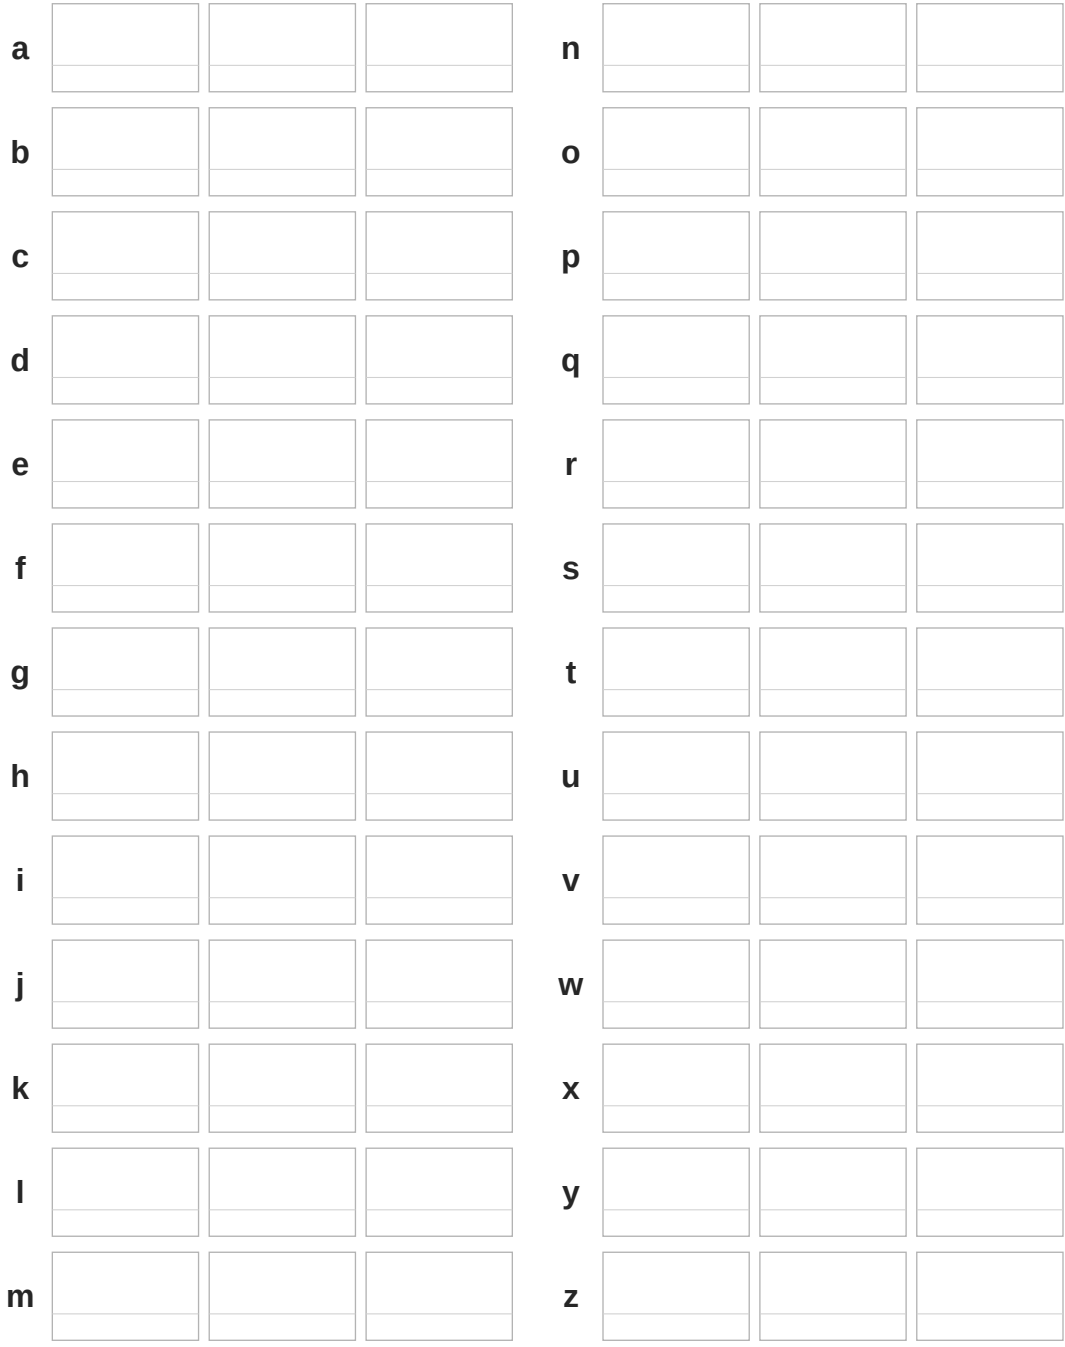
Uppercase letters A-Z

Write each character inside its box, resting on the light baseline.



Lowercase letters a-z

Write each character inside its box, resting on the light baseline.



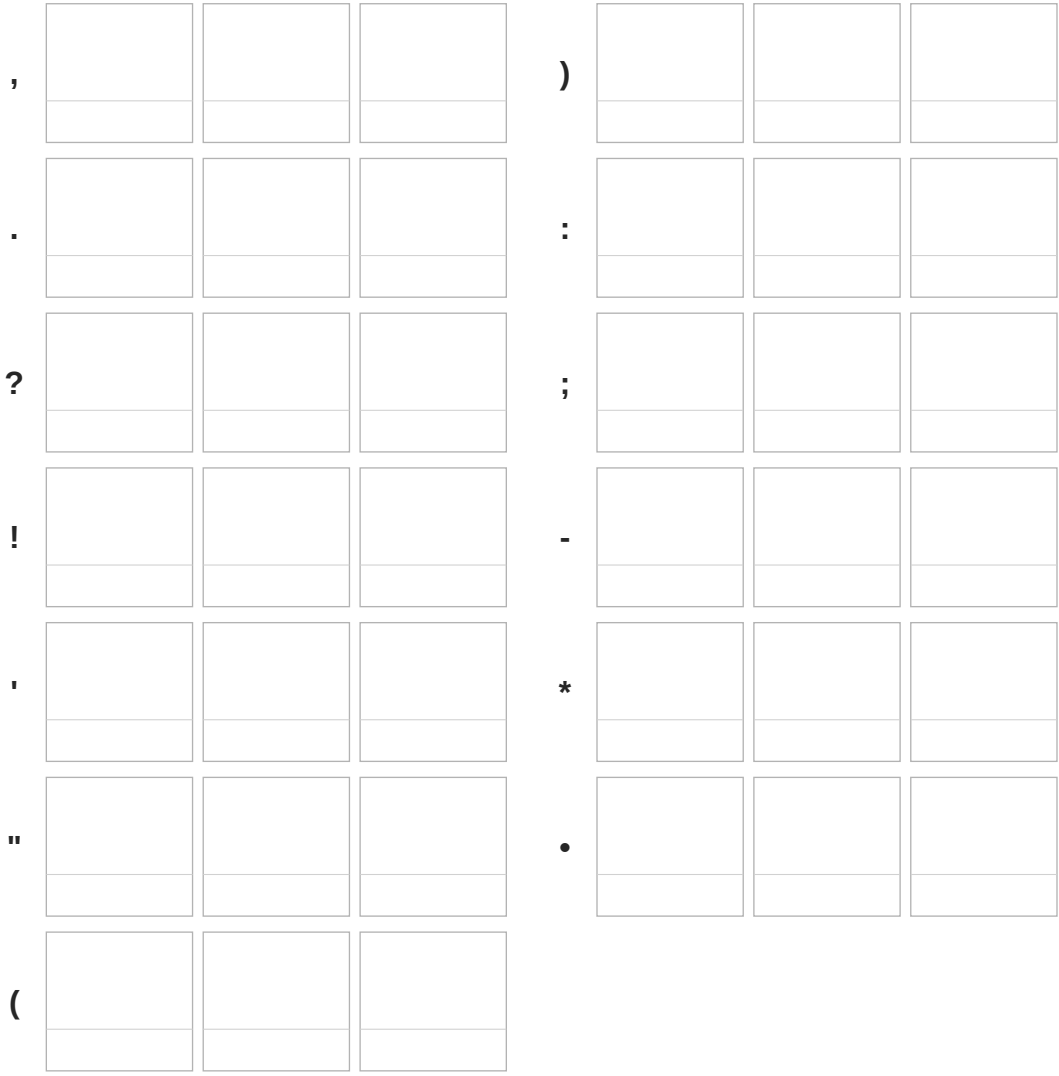
Digits 0-9 and sample sentence

Write each character inside its box, resting on the light baseline.

0				**5**					
1				**6**					
2				**7**					
3				**8**					
4				**9**					

Sample sentence

Write naturally, in your normal handwriting: "The quick brown fox jumps over the lazy dog."

Punctuation and symbols


Write each symbol where it normally sits: commas hang below the line, quotes sit high.
